10.	ANY OTHER BUSINESS
	10.1 RR attended a meeting at LCC on 5 <sup>th</sup> January 2023 and updated the Board with the following:
	10.1.1 The footpath from Welland Drive to West Road is to be funded by LCC and works are likely to commence in the next financial year.
	10.1.2 Speed reductions on Elsea Park from 30mph to 20mph have been dismissed by LCC because there is no policy in place to allow enforcement of the speed limit although it can be challenged.
	10.1.3 There is an email address available if residents require information on road calming measures that RR has asked the Road Safety Partnership to consider for Tilia Way.
	10.2 GP asked if arrangements for the damaged road sign on Raymond Mays Way to which RR responded that a job reference has been assigned so the job is in progress.
	10.3 PK announced that Picnic in the Park will be held on 24 <sup>th</sup> June 2023.

	10.4.1 AGM. The Board agreed 18 <sup>th</sup> or 25 <sup>th</sup> October 2023.

	10.4.3 Christmas. The Board have in recent years awarded a concessionary day for employees and queried whether the Board would be considering one this year. JB suggested because the office is only open for half day on Fridays, The Trust should close from Thursday afternoon on 21 <sup>st</sup> December 2023.
	10.4.4 April and May Board meetings. The April meeting falls on Maundy Thursday and the May meeting is on a local election day, so the Board were asked to consider to either cancel or move the meeting dates. JB will email the directors alternative dates. <b>Action: JB</b>

FDO Update 1<sup>st</sup> February 2023

After the Christmas break, we have made a steady start to the New Year, with an increase in FA matches being played at the AGP mainly because of the closure of winter league fixtures due the bad weather affecting grass pitches.

At the AGP, there was only one cancellation, the walking football, and that was due to the temperature -7.4 degrees Celsius but all the other bookings continued with only a slight delay on some cold mornings.

Planning for the summer is looking positive and this month saw the first official FA referees course using the Pavilion and pitch. The FA were extremely happy with the facilities and they have made assurances that they will look to use the AGP for many more future courses.

Bakkavor and Origin, two commercial organisations have started to play regularly at the AGP so it has been suggested that a Bourne Business Tournament could be arranged in the summer. As a number of current players work for Warners, it is hoped that they too will be involved in the tournament with their own team.

# Tilia Homes Limited – Elsea Park Development Update 1/2/2023

#### - Legacy Road adoptions –

Zone 2 roads highlighted in yellow in the plan below were adopted on the 23<sup>rd</sup> January 2023 and are no longer the responsibility of Tilia Homes Limited (Tilia). Any issues need directing to Lincolnshire County Council going forward.

Zone 1, 3 and 4a roads (Highlighted in green in the plan above) were inspected on the 13<sup>th</sup> January 2023 by Lincolnshire Highways department who have compiled a minor list of works Tilia are required to complete before they will accept the roads for adoption. Tilia have met with contractors to carry out the works. Once these works are complete Lincolnshire Highways will re-inspect and these roads will automatically be adopted. Tilia are targeting this work to be completed around Easter holiday time to minimize any impact to the school

The Zone 5 roads in light blue in the plan above. Tilia have met again with the contractors for these works and have requested a final program for completion of these roads, which will be consulted upon with all involved parties before proceeding

- Zone 5 (6) play area Unfortunately the play area has continually been accessed despite being Heras fenced off for public use. It was also vandalised over the Xmas period. Tilia have had issues with the contractor instructed to complete snagging works within the play area and installing connecting footpaths. Tilia have now contacted alternative contractors to complete the works and hope to have a timeframe for completing the works in the next month. The trespassers have damaged the grass in some areas before it has had time to establish. Therefore, further seeding will need to be carried out prior to handover to the Trust, which will further extend its opening for all residents to enjoy
- Landscaping around Zone 5 (6) In late Feb/March 2023 the area will be closed off to the public, sprayed, rotovated, levelled and seeded. Dependent on weather, Tilia Homes are hoping to have it open in March/April 2022
- Zone 5 (6) LAP and landscaping (Old Compound) Tilia have had issues with the instructed contractors and are now seeking alternative options to complete the works. Tilia hope to have a timeframe for completing the works in the next month

- Zone 9 play area Following a meeting on the 31<sup>st</sup> January 2023 regarding the completion of Zone 9. Tilia are unable to open the play area until the footpaths on the public open spaces (POS) and attenuation pond setting out is completed due to health and safety reasons. Tilia will target to have the play area open by May 2023
- Zone 9 completion Following a meeting on the 31<sup>st</sup> January 2023 regarding the completion of Zone
   9. Tilia are targeting to have all the POS completed by May 2023 for inspection by the Trust. The adoptable roads are targeted to be completed by June 2023 and onto maintenance with Lincolnshire County Council by August 2023. The adoptable drainage is also targeted to be onto maintenance by August 2023
- **Footpath on Linear park/Linear Park** Tilia are awaiting planning approval of this area. Once approved, Tilia will hopefully be able to provide a timeframe for completion. Please appreciate any works to this area will require seeding and then time to establish
- **Orgrey pond** The handrails to the footbridge have been installed. Tilia still have some remaining clearance works to a small area of ditching and some soft landscaping to complete. Tilia have had issues with the original contractor instructed and are now seeking alternative options. Tilia hope to have a timeframe for completing the works in the next month
- Legacy land transfer Tilia and the Trust had a meeting on the 12<sup>th</sup> August 2022. The land transfer has been agreed in principle and Tilia have started the legal preparation and are awaiting completion of the final version of the land transfer legal documents and agreement for all parties to sign. Unfortunately, the target date of the end of the year was not met and Tilia are now prioritising bringing this matter to close in the next three months
- Ditch works Unfortunately the contractor was unable to meet the program completion date of the w/c 21<sup>st</sup> January 2023. The contractors are currently on site and targeting to have all works completed by the end of March 2023
- Bourne Community Centre parcel The adoption works to the roads and drainage started w/c 16<sup>th</sup> January 2023 and Tilia are targeting inspection to go onto maintenance with the adopting authorities by April/May 2023. The landscaped areas will be seeded end of Feb/March 2023. The repairs to the streetlights in the Community Car park are targeted to be completed by the end of February 2023.
